PETITION

Equal Access to Music and Arts for All

Sponsored by: Parents and Students for Music and Arts (PSMA)

I petition that every public school student should receive a complete and balanced "whole student" education, which includes equal access for all to music and the other arts pre-K through 12th grade. Before these goals can be realized, we first must stop all pre-K-12 selective-subject (math and English) *high-stakes* standardized testing.

Yo, el abajo firmante, testifico que estoy de acuerdo de que todos los estudiantes deben recibir una educación completa y bien redondeada, incluyendo la igualdad y acceso a clases de música y arte para todos estudiantes cursando los grados K-12. Antes de que estos objetivos se pueden realizar, primero debemos parar todos programas que limitan la música y las artes como pruebas estandarizadas con selectiva-sujeto (Matemáticas e Inglés) de alto riesgo (high-stakes).

我, 签署人 (高中生家长、监护人), 为如下的理念请愿: 我们认为每一个公立学校的学生, 从幼儿园至十二年级 (K-12), 都应当接受一套完整和均衡的, 能使学生全面发展 (whole student) 的教育。其中包括该得到同样重视的音乐和其他艺术课程。在这些目标能得到实现前, 我们必须得阻止独尊数学和英语的高风险 (high-stakes) 标准化考试。
